

Tunneling nonlinear exciton-phonons in coupled macromolecules and in coupled semiconductor nanowires

Seminar by professor **Yury Kosevich**, from the Academy of Sciences of Russia in Moscow.

Premises:

Seminario del Departamento de Física Aplicada I, ETSI
Informática, Avda Reina Mercedes s/n, 41012-Sevilla

Date and time: Thursday, October 27, 2011 at 17:00.

Organized by J.F.R. Archilla, from the Group of Nonlinear
Physics of the University of Sevilla
